# Philip Morris International Renews Ferrari Sponsorship 2018 to Include IQOS

February 20, 2018

## Philip Morris International and Scuderia Ferrari Partner Together to Advance the Vision of a World Free of Tobacco Smoke

### PRESS INQUIRIES

PMI Operations Center Media Office

+41 (0)58 242 4500

Media@pmi.com

LAUSANNE, Switzerland--(BUSINESS WIRE)--Feb. 20, 2018-- Philip Morris International Inc. (NYSE/Euronext Paris: PMI) and Scuderia Ferrari have extended their partnership until 2021. Their successful collaboration spans more than 40 years. As of today, the partnership will be exclusively focused on advancing the cause of a smoke-free world – a world in which all people who would otherwise continue smoking switch from the most harmful form of nicotine consumption – cigarettes – to scientifically substantiated less harmful alternatives that are smoke-free.

*"We want to give the world's 1.1 billion men and women who smoke the opportunity to make better and informed choices. We are committed to use all available resources, including our motorsports related activities, to accelerate momentum around this revolutionary change for the benefit of people who smoke, public health and society at large. We deeply appreciate Scuderia Ferrari's support in this cause,"* said PMI's Chief Executive Officer, André Calantzopoulos.

# Sponsored Art Events

# “Creative Hub” Qreator by IQOS

Where: Bucharest, Romania

## Description:

- Provides spaces and technological resources for the creative community, as well as information about IQOS and product testing.
- Hosts weekly free events and workshops for dance, music, theatre, film, photography, and art communities

## Website quotes (Google translated):

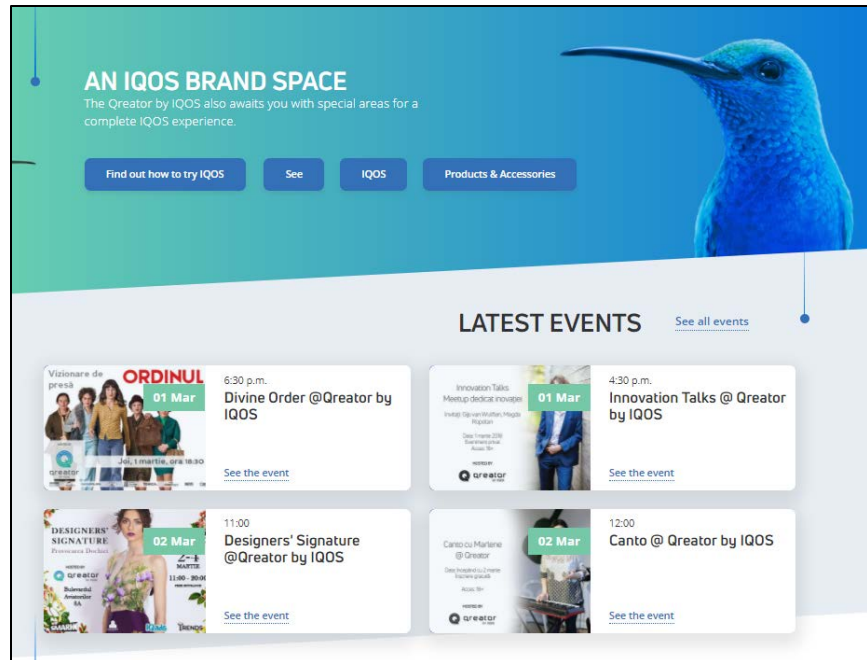

- “More than 500 square feet of creativity, inspiration and innovation... a space for creative energies looking for new opportunities and perspectives.”
- “If you are from Bucharest, we are waiting for you at QREATOR by IQOS where, besides developing your talents in the 7 dedicated rooms, you can try IQOS... the revolutionary alternative to cigarettes.”
